THE CONSTITUTION OF NIGERIA AUTOMOBILE TECHNICIANS ASSOCIATION

ARTICLE ONE

NAME:

The name of the association shall be 'Nigeria Automobile Technicians Association (N.A.T.A.)

MOTTO:

Keeping Nigerians Moving on Safe Wheels

ADDRESS:

Except otherwise determined by the National Executive Council of the association, the national office of the association shall be 362 Abeokuta Expressway, Super Bus Stop, Oke Odo, Lagos.

ARTICLE TWO

COMPOSITION:

The Nigerian Automobile Technicians Association shall be the only parent body of all various groups of Automobile technicians that exist in the Federal Republic of Nigeria such as the following:

- i) Mechanics (Automobile Engineers)
- ii) Panel beater, Welders, Iron benders (Metallurgists)
- iii) Painters (Auto-sprayers)
- iv) Rewires (Auto electricians)
- v) Blacksmith (Turners)
- vi) Battery Chargers
- vii) Metal, Wood, Aluminium, Steel and Auto-body builders
- viii) Vulcanisers

ARTICLE THREE

The priorities and objectives of N.A.T.A shall be the following:

- A. To organise and unite all practising automobile technicians in Nigeria into a single standard Professional Body.
- B. N. A. T. A shall serve as a platform for all qualified and practising automobile technicians in Nigeria to table and voice out their needs, interests and views on all matters that may affect automobile industry in Nigeria.
- C. To regulate the training and practises of members and ensure that only qualified auto technicians are allowed to practise within the Federal Republic of Nigeria so as to keep Nigerians moving on safe and standard wheels.
- D. To promote, protect and advance the interests of members among other interests groups in the society.
- E. Assisting the economy and living conditions of members through various welfare programmes like cooperative society and other viable and profitable ventures.
- F. To consult with government, non-governmental agencies and other relevant bodies on behalf of members on matters and issues that directly or indirectly affect the lives and trades of members with a view to improve such.
- G. To help repolish members image by maintaining high level discipline among members in order to be law abiding and thereof respect the law of the land.
- H. To control the service charges of members by putting in place a standard and comensurable tariff on various types of repairs.
- I. To provide alternative ways of getting income for the aged members. Also members that encounter permanent physical disability by accident in his work or from any other calamity or disaster to the extent that he could not physically cope with his trade shall receive due assist-

- J. To establish an Automobile Bank (AUTO-BANK) where members shall get easy access to (working) loan at a very low interest rate for building up of modern workshops with modern implements. Also the bank shall be in a position to provide any urgent financial assistance for members that encounter any disaster or calamity that tends to threatening their trades and lives. The bank shall also provide useful assistance to other necessary matters of members.
- K. To educate members on how various policies affect their trades, lives and welfare. And to enlighten members more about the events in their society.
- L. To establish a training centre where members shall be trained on modern ways of carrying out various repair works, the art and skill of managing standard modern workshop. The centre shall also help in the technological development of the country through manufacturing of complete locally made vehicles, spare parts, and accessories.
- M. N. A. T. A is a platform available and accessible to customers to lodge any allegation or complaints against any member for corrective measure or discipline.
- N. It is also a platform where governments, non-governmental organisations, corporate bodies and society in general can easily use to dialogue and relate with all automobile technicians in the country.
- O. N. A. T. A shall help to project government objectives and policies on automobile technological development and allied tradesmen.

- P. **N. A. T. A shall maintain functional and mutual relations with the security agents at all levels to reduce crime rate that may involve motor vehicles and other transport equipment.**
- Q. **The association shall liaise and co-operate with governments, non-governmental agencies and other relevant bodies that might be engaging in projects and activities that aim at developing Nigerian indigenous technology.**
- R. **N. A. T. A shall advise and educate government and the society on the best policies and programmes that can improve the services of the automobile industry in Nigeria for an improved and efficient transport industry.**
- S. **N. A. T. A shall also educate customers through members on how best to maintain their vehicles for an effective successful Road Safety Campaign.**
